Hi Julie:

Can you tell who the chemists were on the 2 specimens referenced in the attachment? I suspect it was AD (who was summonsed on 2/21/12), and Kate Corbett, who actually testified at the voir dire on 3/26/12. Can you confirm analysts for both specimens, and specify who did what part of the testing? I might have to testify tomorrow.

Thanks,  
lh

ADA McFarland's phone number is cut off at the bottom of this scanned document but it is 617-479-7454. Let me know if you need anything else.

Betsy
